

LATEST IN READING AIDS IS USED— Jimmie Reynolds, left, Thomas Butler, center, and Freddy DeHoyos, fourth grade students, are at the table where the EDL controlled reader is used. The machine flashes new words on the wall and then a story, a line at a time. This process is set to move slowly at first and then as the reader improves, the

speed of the words is increased. A large library of film came with the machine. Other helps are word games, workbooks, stereo records, tape recorder, listening laboratory, and overhead projector. Teachers are Mrs. Pat Hughes and Mrs. Guy Weaver. The teacher aides are Mrs. Bill Shira and Mrs. Johnny Steele.

Piperettes Take District Title Tues.

The Piperettes won the District 5-AA girls basketball championship Tuesday night by downing Ballinger, 54-29. They were assisted by a Winters victory over Haskell the same night, 44-27. The loss by Haskell gave the Piperettes a two game lead and the outcome of their game here Friday night with Anson will not affect the district race.

The big game for the Piperettes was their 46-35 victory over the girls from Haskell Friday night as this broke the tie between the two teams.

Judy Jenkins scored 37 points in the victory over Haskell followed by Linda

Bailey with eight points. The scoring by quarters was: Hamlin, 12, 14, 11, 9; Haskell, 10, 10, 7, 8.

In the game with Ballinger Judy hit 24 points, Linda, 16,

and Pauline Lakey, 12. The scoring by quarters was: Hamlin, 22, 16, 12, 4; and Ballinger, 13, 4, 4, 8.

The Piperettes will meet the winner of District 6-AA for bi-district. The game must be played by March 1. The three teams in District 6-AA are Alpine, McCamey and Marfa.

The Hamlin girls own a 25-3 season record and a 6-1 district record. They have averaged scoring 49 points in district games while giving up only 36.

Lions Pancake Supper Tickets Now On Sale

Tickets to the annual Lions Club Pancake Supper are now on sale by the Hamlin Boy Scouts and Lions Club members. The tickets are 75c for adults and 50c for children.

Pipers to Close Here Friday With Anson

The Pipers will take on the District leader here Friday night when they host the Tigers from Anson. This will be the final game of the season for the Pipers and their last chance to avoid a winless season in district play.

The Tigers were tied with Haskell for the district lead until Tuesday's loss by Haskell to Winters.

The Pipers lost to Colorado City here last Thursday night, 49-37, with James Ledbetter hitting 18 points for the losers. The B Team won over C-City, 43-33.

On Friday night in their make up game with Haskell, the Pipers fell by the score of 48-37 with Ledbetter scoring 16 points for Hamlin. The B Team fell to Haskell, 51-40.

The Pipers were edged out by one point in their game with Ballinger Tuesday night, 44-45. Milton Davis was high for the Pipers with 15 points. Ballinger won the B game, 44-24.

Neinda Philosopher Says Rice-Less Castro Has A Whole Lot to Learn About Communism

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 explains some of the facts of life to Castro in his letter this week. Unfortunately, Castro doesn't subscribe to The Herald.

Dear editor:

According to a newspaper which a friend in town gave me yesterday, well I don't think he exactly gave it to me, he rustled it sort of impatiently to indicate he had something else to do besides talk with me and handed it over as I left to make sure I was on my way. Castro is having some more trouble in Cuba.

In addition to being pushed off the front page by Viet Nam, Castro is having a hard time understanding Communism.

Red China, he explained to his people in a four-hour television speech, promised to deliver him a million tons of rice or some such amount and to take some of his sugar in exchange, but now she has gone back on her word and he thinks this is outrageous.

Somebody ought to take Castro aside and tell him all about Communism.

He ought to find out that when a Communist leader for example says I'll send you a million tons of rice, it means what the ordinary person means when he says I'll dance at your wedding. It has nothing to do with dancing or delivering rice.

Central Baptist Sets Sweetheart Banquet Monday

The annual sweetheart banquet at Central Avenue Baptist Church will be held Monday, Feb. 14, at 7:30 p.m. following the theme "Thoughts of You".

The church wide banquet will be for all ages and members are encouraged to bring a guest. Reservations are to be made with the pastor, Rev. W. G. Irwin.

The speaker will be Rev. Stan Blevins, pastor of First Baptist Church in Lueders. Larry Bradley will be master of ceremonies.

When a Russian Communist says Stalin was a saint, what he means is he's a saint till everybody is ordered to call him a bum.

Truth in Communist countries is like a calendar in other countries. After 30 days you tear off a page and start over. What you said in January has nothing to do with what you say in February.

Castro is sort of new at the Communism business and I'm afraid he's in for a lot of disappointments if he goes around believing what his new friends tell him. It's a very unreliable way to get any rice.

Fidel, a Communist's word is as good as his bond, which is why nobody would buy one.

Yours faithfully,
J.A.

Chevrolet-built cars win Four Performance Awards

Chevrolet-built cars out-performed their competition in four of eight classes at the recent Pure Oil Performance Trials at Daytona, Florida. Ellis J. Premo (above), Chevrolet's chief engineer, accepted the four trophies at an awards ceremony. While Chevrolet scored the most wins, other General Motors cars swept the rest of the classes. Sixty-two cars representing all U.S. auto manufacturers competed in the NASCAR-supervised trials. Class winners were determined by scores in fuel economy, acceleration and braking. All competing cars were selected at random and driven by professional drivers.

Rolling Plains Cotton Growers Directors Make Plans for Year

The Directors of the Rolling Plains Cotton Growers, Inc. met in Sweetwater on February 1 and outlined plans for the coming year. Present were 27 men representing 14 of the 31 counties of the Rolling Plains area. Also represented were the Texas Agriculture Extension Service of Texas A & M University and the National Cotton Council.

According to Charles W. Stenholm, newly appointed executive vice president of the Cotton Growers, the organization will be working on an educational and informational type program for the coming year. Plans are to begin on community levels and eventually snowball to cover the Rolling Plains with a program dedicated to the improvement of cotton production in the entire area.

The Rolling Plains Cotton Growers is presently working on a definite boll weevil control program in cooperation with the Texas Agriculture

Extension Service and Texas A & M University. But before there can be a program of area-wide significance, there must be area-wide cooperation. This poses a tremendous but not impossible task.

Beginning about June 1, there will be ten 2-men insect survey teams working. Coupled with the information from last year and the findings of this year's teams, it will be possible to make a complete study of the Rolling Plains and gain valuable information necessary for a boll weevil control program.

In connection with the boll weevil control work, the Rolling Plains Cotton Growers, Inc. is advocating delayed uniform planting dates for the area. A delayed uniform planting date supported by a community, county or area-wide, utilizes climatic date to increase production. It acts as an aid in control of boll weevils, lessens replanting cost and improves quality, all of

which reduces cost of production and increases net income for producers.

Local communities interested in a uniform planting date for their communities or information, regarding any phase of the Rolling Plains Cotton Growers organization, please contact Charles W. Stenholm, Executive Vice President, Box 1108, Stamford, Texas 79553 or by telephone at Area Code 915 PR 3-2851.

Local Couples Attend Institute

Attending the annual Laymen's Leadership Institute at Colorado Springs, Colo., recently were Mr. and Mrs. Floyd Clifton and Mr. and Mrs. W. C. Russell. The four day affair, sponsored by Billy Graham and Howard Butt of HEB stores, is an invitational meeting of laymen of all churches.

Featured were Billy Graham and his music team, business and professional people giving their Christian experiences, Bible scholars and others. Miss America, Vonda Kay Van Dyke, spoke twice.

Another couple, former Hamlin residents, attending were Mr. and Mrs. Willard Jones, now of Camp Wood.

Cox-Bonds Wedding Vows Exchanged In Brownfield Sat.

Gena Merle Cox of Brownfield and David Douglas Bonds of Hamlin exchanged wedding vows Saturday at 5 p.m. in First Methodist Church, Brownfield, with Rev. Alby Cockrell officiating at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Douglas Cox of Brownfield. Bonds is the son of Mr. and Mrs. L. C. Bonds.

Becky Richardson, organist, accompanied Mrs. John Luckie singing "A Wedding Prayer," and "Because," and Don Hendley singing "Always."

Given in marriage by her father, the bride wore a gown of white peau de soie enhanced with seed pearls. The figurine bodice with bateau neckline and three quarter length sleeves had chapel train, edged in seed pearls cascading down a bow. Lace and seed pearls bordered the edge of her imported illusion mantilla worn over a silk pill box hat. She carried an arrangement of gardenias surrounded by white feathered carnations atop a white Bible.

Lela Ann Cox served as maid of honor for her sister. She wore an empire waistline dress of pink lace over taffeta with matching head band. She carried a nosegay of pink feathered carnations surrounding American Beauty roses.

The bridesmaids were Midge Turner, aunt of the bride, and Mrs. Jimmy Rodgers. Denise Dankworth, cousin of the bride, was junior bridesmaid.

The bridesmaids wore alternating colors of pink and cerise, lace over taffeta fashioned like the maid of honor's and carried similar nosegays.

Mrs. Joe Simpson Gives WMS Program Tuesday

Mrs. Joe Simpson gave the conclusion of the book "Which Way in Brazil?" by Lester Bell at the Tuesday morning meeting of the Woman's Missionary Society of First Baptist Church.

Mrs. A. F. Haught led the song "Send the Light" to open the program.

Mrs. O. H. Taylor gave the opening prayer. Mrs. Carl Young introduced Mrs. Simpson.

She told of Baptist missionary work in Brazil in the beginning and of its growth to the present time.

Mrs. J. C. Greenway gave the closing prayer.

Dee Ann Adair, cousin of the bride was ringbearer.

Tommy Bonds of Abilene was best man for his brother. Groomsmen were Larry Upshaw and James Christopher.

Phil Griffin, cousin of the bridegroom, Sterling Cox, brother of the bride, George Bonds, Jim Bonds, both brothers of the bridegroom and Randy Adair, cousin of the bride, were ushers.

Candlelighters were Jim Adair and Greg Dankworth, cousin of the bride.

Reception was held in Fellowship Hall.

The bride was graduated from Brownfield High School and attended McMurtry College. She was a maidenette with McMurtry Band, and is a member of T. I. P. Social Club.

The bridegroom was graduated from Hamlin High School and will receive his degree from McMurtry College in May. He is a member of Alpha Sigma Chi Social Club, Who's Who in American Colleges and Universities and Letterman's Association.

The couple will live at 1906 Estes in Abilene.

The bridegroom's parents hosted the rehearsal dinner in the Fellowship Hall of the church Friday evening.

Chevrolet Impala Sport Sedan with Body by Fisher

JET-SMOOTHER THE CHEVROLET WAY

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pffft! It all but disappears.

The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.

Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (always check in back before passing).

Electricity Makes A World Of Difference

We've come a long way since the Stone Age. Wouldn't the cave man be awed by our Space Age? Through the years, we've grown so accustomed to electricity we have taken it for granted. And yet, we are more dependent on electricity than any other source of energy. One of the jobs of West Texas Utilities Company is to make electricity so available, we can take it for granted. There's nothing quite like electricity...it can't be seen, heard or smelled...yet it is used daily in dozens of different ways to make our life easier and better. So sit back, relax and enjoy life...

"If you have reached 65 and are not receiving social security or railroad retirement benefits, and have not signed up for Medicare, now is the time for action," R. R. Tuley, Jr., social security district manager in Abilene, stated today.

He explained that almost every older person in the Nation is eligible for health insurance under the new law passed by Congress last year.

"The major part of hospital charges and doctor bills will be paid for these people 65 or older who sign up for the health protection," Tuley said.

"We are especially trying to reach two groups of people right now. One group includes those over 65 who have not applied for social security retirement benefits because their earnings are too high to permit cash payments. These people will have Medicare protection by applying for it.

"The second group we need to get in touch with may have had little or no work under social security," he explained. "If they are 65 or over, they can get the health protection by enrolling for it.

Tuley said that health insurance benefits begin next July. "I cannot overemphasize the importance of prompt action by all those who are eligible," he said.

Further information can be obtained in person, by mail, or by telephone from the social security office in Abilene, located at room number 2321 Federal Building, or meeting a representative at Fire Station in Hamlin at 10 o'clock March 8 and 22.

There will be a meeting on Plant Diseases in the county agent's office from 9:00-11:30 a.m. on Thursday, February 17th according to an announcement this week by Jones County Agent Kirby Clayton.

The meeting will consist of a discussion on Cotton Root Rot, Cotton Wilt, Grain Sorghum Diseases and Wheat Diseases.

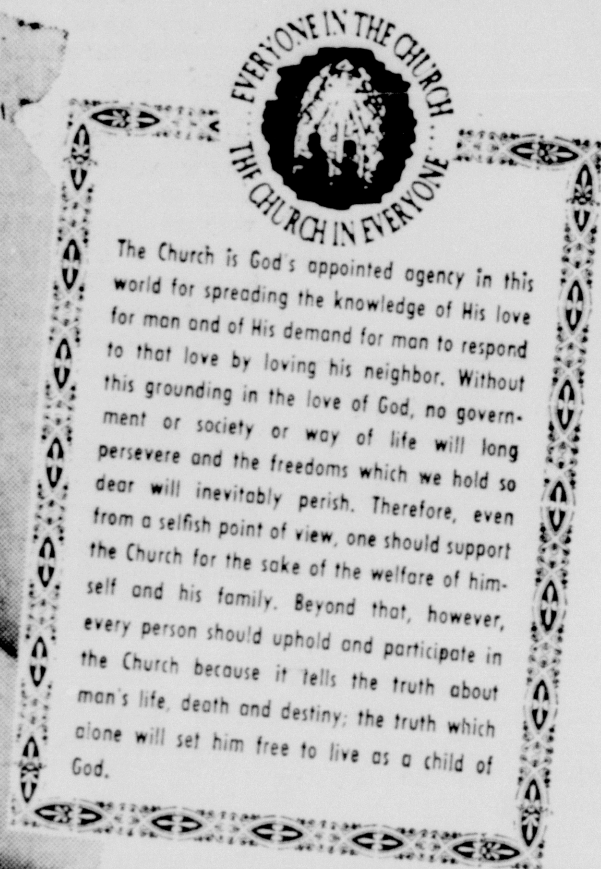

Dr. Bob Berry, Plant Pathologist with the Texas A & M University Extension Service will be on hand to present the information.

A NEW BIBLE ...

for ME!

She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church this Sunday and share in this knowledge and joy.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner

It seems that most of the folks came out of hibernation last week, after the weather turned warm. After two weeks of freezing nights, with most of the days the same way, the mild sixties, and forties at night, felt good to both man and beast. This Monday morning is cloudy and very rainy looking, with rain in the forecast, so maybe by the time this is published there will be a good season in the ground, on top of all the snow. Then you will see all of the farmers smiling and making big plans for another year.

We do not have any thing to report about getting a pastor, at this time. We only said that we had nothing to report, not that the pulpit committee had not been busy. Maybe, with the Lord's help, we will have something to report next week.

Terry Sutton, who is a member of the Central Avenue Church, in Hamlin, and a young high school boy that is entering the ministry, filled the pulpit at both services Sunday. Terry is very sincere about his work and we did enjoy having him, we predict that he will go far in the ministry.

Coming with Terry Sunday morning was Jim Kincaid, Sunday night his father, Mr. Sutton, came with him.

Mr. and Mrs. Woodrow Goodwin went to Crosbyton, last Thursday, where they visited with his sister, Mrs. Winnie Hale and son Goodwin. They came back by Spur to visit with another sister, Mr. and Mrs. Archie Hogan. They finished the day off by visiting her sister, Mr. and Mrs. Elmer Joiner, that night.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, visited over the weekend with their parents, the M. S. Johnsons and the Winson Grays, coming down from Amarillo, where it has really been cold.

Mr. and Mrs. Henry went to see Mr. and Mrs. Joe Ford, last Monday afternoon, venturing out after being in several days.

Mr. and Mrs. George Wain-scott were Saturday afternoon

visitors of the Woodrow Goodwins.

Mrs. Henry's brother, Mr. J. E. Boyd, is very seriously ill in the hospital, in Snyder. The Henry went to see him last Tuesday afternoon.

Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, spent Sunday with their parents, Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Bailey Meeks.

Saturday night guests of H. L. Fords were Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Joe Ford and Mr. and Mrs. Elmer Joiner. They all played 42.

Mr. and Mrs. Joe Ford were Friday guests of the Fred Rosenbaums.

Mr. and Mrs. Woodrow Goodwin went to see Mr. and Mrs. Henry Sunday afternoon.

Nancy Ford returned to Denton last week after spending the mid term period at home.

At the last report we learned that the sister, Mrs. Henry Kee, of Lubbock, is progressing satisfactorily, according to her doctor. Although the surgery was serious and convalescence will be rather slow, he assures her that she will be well after a period of time, which is much better than being in pain all time. She says, she is glad it is all over. The daughter, Mrs. J. E. McCoy, went to Fort Worth, last Wednesday, where the doctor removed the cast from her left hand, giving her a chance to see what the surgery had done. Although it had been only three weeks, when the cast was removed, she can see a great improvement in the arthritic condition. This is a new thing they are doing, only a few doctors are attempting it, but so far it looks like arthritis suffers might have found a bonanza. Not only are they fixing up hands crippled by the disease, but feet as well.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

Austin — Floterial districts! You'll hear these two words used often between now and the November election. And probably a long time thereafter.

What are floterial districts? They are voting areas created by combining counties, or parts thereof, to comply with the Supreme Court's edict that all states must have districts of equal population.

In Texas, this has resulted in rural counties sharing representatives with metropolitan counties, or vice versa.

A three-judge federal court at Houston has just upheld the 1965 Reapportionment Act of the House of Representatives, with the exception of 11 floterial districts.

These floterial districts are areas around Austin, Brownsville, Corpus Christi, Tyler, Waco, Sherman-Denison, Lubbock, Abilene, Temple, Odessa and Angleton.

Court gave the Legislature until August 1, 1967, to correct the floterial law.

So, this November, voters will select representatives on the basis of the original reapportionment draft.

Texas' four largest counties — Bexar, Dallas, Harris and Tarrant — will gain a total of 16 seats in the House for a total of 51 representatives. Under the new redistricting plan, 12 out of Texas' 254 counties will have a majority of House votes.

Although their power on paper is enormous, as a practical matter representatives of metropolitan areas seldom if ever vote as a bloc. So rural interests aren't likely to be ground under the heel of big city lawmakers.

State senatorial reapportionment never was subject to change.

Congressional redistricting was upheld earlier. More Tourist Funds Asked — Governor Connally will ask the 1967 Legislature for a bigger budget for tourist advertising.

"Considering the magnitude of the market," he said, "we still are going after an elephant with a peashooter."

Connally cited a 14 per cent increase in tourists last year — totaling 14,200,000. He reported that advertising by the state produced more than 57,000 direct replies.

Although visitors spend more than \$680,000,000 a year in Texas, the governor feels the surface has barely been scratched. Tourists in Florida spent three times as much.

He called for further development of natural and man-made attractions, and predicted HemisFair 1968 in San Antonio will have a "strong impact" on progress of the tourist program.

Current biennial budget of the Tourist Development Agency is \$332,000. It was \$292,000 in 1963-64.

Education Committee Meets — Governor's Committee on Public School Education held its first meeting here for a look at school needs and began preparation of a master plan for future development.

This 15-member committee is charged with a "pre-emptive inquiry" into all aspects of the school system. Its report is due to be made to the governor and Legislature in August of 1968.

First session dealt largely with employing a staff for the big job ahead.

Lease Sale Profitable — School Land Board's first oil and gas lease sale of 1965 brought the state \$8,300,000 for 136,048 acres or an average of \$61.25 an acre.

High bid of \$620,000 was on a 1,440-acre Guft tract in Calhoun County. Next highest was \$270,090 on 1,500 acres in Calhoun and Matagorda Counties.

Some \$91,500,000 was added to the school land fund last year, boosting the fund to \$669,184,011.

Job Centers Reviewed — Fears of expanded Federal control over the Gary Job Corps Center near San Marcos faded after a card-on-the-table session between Governor Connally, Gary officials and directors of the War on Poverty project in Washington.

Connally reported there will

be no basic change in the center's operation. Also that the Texas Education Foundation Inc., a non-profit organization which administers it, may direct the new women's job center at McKinney.

Vehicle Laws Book — A new 282-page book detailing Texas Motor Vehicle Laws is available for 50 cents by writing the Texas Highway Department, Motor Vehicle Division, 40th and Jackson Avenue, Austin, 78703.

Books are offered without charge to U.S., State, County and City governments and to school districts.

Texas VS U. S. A. — The U.S. Army and Texas met head-on over plans of the U. S. Army Corps of Engineers to build channels and levees on a stream where the state plans to construct a reservoir.

State opposed the Sulphur River project, estimated to cost \$700,000, because the state master water plan calls for a reservoir covering the channel work and levees the Corps is planning to build.

Blanket Closes — Blanket State Bank has been closed and placed in the hands of the State Banking Commissioner for liquidation, according to Commissioner J. M. Falkner. However, its assets have been sold and its deposit liabilities assumed by the bank, so every depositor will be paid in full, Falkner stated.

SHORT SNORTS

Cigarette tax collections increased more than \$2,000,000 during January, over the first month of 1965, to reach a total of \$9,600,000.

A Texas Legislative Council committee, seeking ways to modernize county government, will hold hearings over the state.

Department of Public Safety reports it has more than 100 job openings in uniformed

Boen, Tuxedo, personal stewardship leader; Donley Williams, Neinda, Christian witness leader; W. D. Gray, Fairview, Royal Ambassador leader; Stanley Jackson, Neinda, song leader; This group meets once each month, alternating between churches.

The W. M. U. meets twice each month, one meeting to coincide with the Brotherhood meeting. Officers are Mrs. Jerry Williams, Neinda, president; Mrs. Bob Watson, Hanna, vice president; Mrs. H. L. Ford, Fairview, secretary-treasurer; Mrs. Frank Codington, Neinda, Youth director and GA leader; Miss Reba Jackson, Miss Cynthia Stephens, Neinda, primary Sunbeam leaders; Miss Sharon Wheat, Neinda, beginner and nursery Sunbeams; Mrs. Jackie Williams, Neinda, mission study chairman; Mrs. Fred Rosenbaum, Fairview, activities chairman.

At the present time Fairview

is without a pastor. The other pastors are: Rev. Frank Codington, Neinda; Rev. Bob Watson, Hanna; and Rev. L. E. Redding, Tuxedo.

Special License Plates Adds To Work Load of Tax Office

Each year something new is added in the way of special automobile license plates, County Tax Collector A. J. French Jr. said this week. "I suspect there is 35 percent more work in that department than there was when I took office," he said.

In addition to the "prestige" plates which were added last year, there also are limited time plates and special plates for other situations. This year, eight applications have been filed for "prestige" plates while for the preceding year there were but five. These carry an added cost of \$10 but owners have the satisfaction of knowing that they are the only one in the state with just such a plate.

The first shipment of 1966 plates, which went on sale Feb. 1, arrived in January but not as many were shipped as were issued last year, French said. "We always have to reorder. Each year, more plates are issued than during the preceding year."

The plates are black with white letters and passenger

FROM THE EAGLE'S BEAK ...

A large crowd was out to view the game with the Hamlin Freshmen last Tuesday night. We were especially proud to have one spectator,

Ronnie Jeffery. He was wheeled in and received with a standing ovation from the Hamlin and McCauley fans. He watched the game from the stage. We were all pleased to have him around again. Ronnie was injured last fall playing football and is in a cast, not even able to walk on crutches.

Although both McCauley teams were defeated, the fans and players enjoyed two fine, exciting basketball games.

The smiles and (much to the boys' disgust) neckties accompanied many M.H.S. students Friday as we finished the photographs for the last shipment of the Eagle.

Friday night the varsity traveled to Highland to meet the Hornets. Jeanne Acklin, Lana Acklin, and Rachel Miranda scored 10 points each but lost the game.

Marion Reed was the hero of the boys game scoring the final two points in the second overtime, to top the Hornets 55-53.

Monday Ronnie Jeffery met classes for the first time in three months. Everyone's real happy to have him back.

Jeanne Acklin will replace Barbara Griffin as the third member in writing this column. She is very active in all M.H.S. activities, president of the junior class, assistant editor of the annual, and is head cheerleader this season. Jeanne is fourth vice president of the FHA and partic-

cars will be in the following sequences: DCG 400 to DCG 999, DCH 10 to DCH 999 and thence on through DCJ, DCK, DCL, DCM, DCN, DCP, DCR and DCS, with all plates between 10 and 999 included except in the latter group where the numbers stop at DCS 899.

Trucks will run from 1V 9700 to 1V 9999, 1W 10 to 1W 2474.

Farm trucks will run from 8J 950 to 8J 2174.

Farm trailers will run from 33T825 to 33T999, 34T10 to 34T999 and 35T10 to 35T24.

Trailers will run from A6-3025 to A6-3974.

Plates are available at Anson, Stamford, Lueders and Hamlin.

Auto Safety Belts

As It Looks From Here ...

Omar Burleson, M. C.
17th District, Texas

Washington, D. C. — There is more to winning the conflict in South Viet Nam than bombing and the hide-and-seek war in the jungles and rice paddies.

The greater part of the 16 million people are predominantly rural and have sought to remain neutral in the struggle. They have little choice, since neither the Saigon Government nor the Viet Cong has been about to provide them with any degree of lasting security.

Both sides have occupied outlying villages and farm communities alternately for short periods of time, each imposing their will on the populace. This sort of situation makes neutrality a necessity for survival of many. The peasant farmer, to avoid trouble, "bends with the wind" to stay alive.

If it can be called a choice, he has three. He can keep his family on his little plot of

ipates in basketball, volleyball and track. We're glad to have her aboard.

Junior High went to Highland Monday. The boys won and the girls lost by a narrow margin.

We are glad to have Mrs. Suzanne Rowland at McCauley School. She will be helping to set up the Remedial Reading Program.

The High School basketball teams meet Trent twice this week. "There may not be a column next week."

ground near the grave of his ancestors and continue to live as long as he can in the midst of combat. They can leave their homes and move to areas under Government control. Approximately three quarters of a million people are now refugees under this choice.

The other choice is to leave their homes and seek refuge in a Communist controlled area, joining the Viet Cong.

These conditions are growing sharper every day with the increased tempo of the fighting. The Vietnamese peasant will endure just about anything before he will leave his traditional home. To stay, he will dig a primitive shelter under his home for his wife and children and try to go on raising crops and avoid involvement in the fighting. To do this he is in between the anvil and the hammer.

According to General Edwin F. Black, Director of Internal Security Affairs for the Army, who has served two tours in Viet Nam, the rural South Vietnamese are beginning to realize that it is their own Government and that of the United States which will help him bind up his wounds and make an effort to give him food if his crop is confiscated by the Viet Cong or destroyed by military actions. He is finding that the promises of the Communist Viet Cong do not bring security but force him to dig ditches at night across roads, afford him no medical supplies and no schools for his children. True, the report goes, the Communists have

made some of these efforts for propaganda purposes, but they do not have the withdrawal, and the Vietnamese farmer is finding the Communist promises empty.

General Black reports that the Vietnamese people who live under the domination of the Viet Cong are beginning to recognize that as long as the struggle continues, the prospects for them grow more grim. The power of America's military might, only dimly realized before last fall, is becoming plain to them. Before our own forces arrived in great numbers, the Communist regulars and the South Vietnamese forces often avoided contact, and when contact was made, they made sure to leave open an escape route so that decisive battles did not result. This is changing.

The South Vietnamese soldier is proving to be a good fighter. In the final analysis, the war can only be really "won" against the Communist Viet Cong when the South Vietnamese people, individually and collectively, are sure that their own Government and

the United States are determined to drive out the Viet Cong — when they decide for themselves that the safety of their families lies on the side of their own Government.

One of the weakest links of our efforts in Viet Nam has been intelligence — the simple proposition of knowing where the Communists are, how many and what they are doing. Too often this advantage has been on the other side. One of the greatest needs, except for destroying the North Vietnamese war-making capacity in the North by bombing, is for the people of South Viet Nam to provide necessary intelligence to find, fix, and destroy the Communist Viet Cong.

August Worst Month

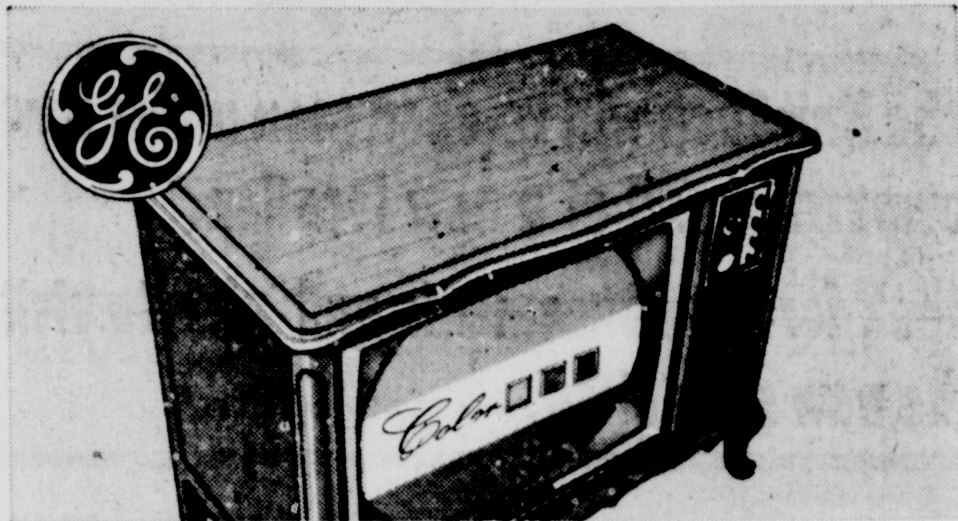

NEW YORK In recent years, more motor vehicle deaths have occurred in August than in any other month. The Insurance Information Institute points out. In 1964, 4,810 persons died in car accidents during August, almost 4 percent more than in October, which had the next highest toll.

Finally, Perfected Color Television

It's as easy to tune as black and white.

Up to now, there were two problems with color television sets.

One, they were hard to tune. And two, once they were tuned almost any outside interference (airplanes, cars, electric shavers, even aluminum siding) threw the picture out of whack.

General Electric has taken care of both.

NEW MAGIC-MEMORY TUNING.

G-E developed a new kind of tuning called Magic-Memory tuning.

What's magic about it is that it's easy to tune. All you do is turn until your pointers point straight up. That's it.

Some people say they can get a picture in less than 10 seconds.

NEW COLOR COAXIAL CABLE.

Then G-E tracked down what was picking up all the outside interference.

It was the old flat lead-in wire that connected the set to the antenna.

So they redesigned the sets and added a coaxial cable lead-in. (Coaxial cable is what TV studios use because it has two layers of plastic and one layer of woven metal to shield against outside interference.)

What they had when they finished was the first really Perfected Color Television set. Bright, clear, natural color with no more fuss than black and white.

And that's what a lot of people tell us they've been waiting for.

If you're one of them, see us today!

Fandangle Cast Entertains B&PW Club

Nine members of the Albany Fandangle cast entertained the Hamlin Business and Professional Women's Club at the Tuesday evening dinner meeting at the high school cafeteria.

Jen Rex Jones was master of ceremonies for the program. He gave a brief history of Fort Griffin and its importance as a landmark in this area. The group sang "Kissin' Kin," "Rememberin'" and "The Wire Fence" together with skits and comments. The cast, in costume to represent the time in which Fort Griffin was prominent, included Jones, Mr. and Mrs. Richard Fox, Sonora Teinert, Connie Stom, Edith Ball, Mrs. Shirley Clifton, Jim Ball and Clifford Teinert.

Mrs. Ned Moore, chairman of the civic participation committee, introduced the program and encouraged members to participate in community activities.

Local guests were Mr. and Mrs. C. F. Cook, E. E. Monkres, and Ned Moore.

Hostesses were members of the legislation committee with Mrs. B. V. Newberry as chairman. Valentine motif was used in table decorations and plate favors.

The February business meeting will be held Feb. 22 in the home of Mrs. W. B. Britton.

Piperettes Take District Title Tues.

The Piperettes won the District 5-AA girls basketball championship Tuesday night by downing Ballinger, 54-29. They were assisted by a Winters victory over Haskell the same night, 44-27. The loss by Haskell gave the Piperettes a two game lead and the outcome of their game here Friday night with Anson will not affect the district race.

The big game for the Piperettes was their 46-35 victory over the girls from Haskell Friday night as this broke the tie between the two teams.

Judy Jenkins scored 37 points in the victory over Haskell followed by Linda

Bailey with eight points. The scoring by quarters was: Hamlin, 12, 14, 11, 9; Haskell, 10, 10, 7, 8.

In the game with Ballinger Judy hit 24 points, Linda, 16,

and Pauline Lakley, 12. The scoring by quarters was: Hamlin, 22, 16, 12, 4; and Ballinger, 13, 4, 4, 8.

The Piperettes will meet the winner of District 6-AA for bi-district. The game must be played by March 1. The three teams in District 6-AA are Alpine, McCarney and Marfa.

The Hamlin girls own a 25-3 season record and a 6-1 district record. They have averaged scoring 49 points in district games while giving up only 36.

Lions Pancake Supper Tickets Now On Sale

Tickets to the annual Lions Club Pancake Supper are now on sale by the Hamlin Boy Scouts and Lions Club members. The tickets are 75c for adults and 50c for children.

Serving will begin Friday, Feb. 18, at 5 p.m. and continue until 7:30 p.m. Patrons will be served in time to attend the junior play in the high school auditorium. The supper will be held in the high school cafeteria.

Pipers to Close Here Friday With Anson

The Pipers will take on the District leader here Friday night when they host the Tigers from Anson. This will be the final game of the season for the Pipers and their last chance to avoid a winless season in district play.

The Tigers were tied with Haskell for the district lead until Tuesday's loss by Haskell to Winters.

The Pipers lost to Colorado City here last Thursday night, 49-37, with James Ledbetter hitting 18 points for the losers. The B Team won over C-City, 43-33.

On Friday night in their make up game with Haskell, the Pipers fell by the score of 48-37 with Ledbetter scoring 16 points for Hamlin. The B Team fell to Haskell, 51-40.

The Pipers were edged out by one point in their game with Ballinger Tuesday night, 44-45. Milton Davis was high for the Pipers with 15 points. Ballinger won the B game, 44-24.

Johnnie Hines, 73, Dies In Abilene Hospital Tuesday

J. W. (Johnnie) Hines, 73, died at 11:15 a.m. Tuesday in Hendrick Memorial Hospital in Abilene after a long illness.

Funeral was held at 3 p.m. Wednesday in the First Baptist Church with the pastor, the Rev. Byron Bryant, and T. R. Bedford of Abilene, officiating. Burial was in Hamlin Memorial Cemetery.

Mr. Hines was born Dec. 22, 1892, in Johnson County, and had lived in Hamlin since 1918. He married the former Georgia May Stoker in Breckenridge Dec. 25, 1916.

He was a farmer and rancher and was a member of the First Baptist Church and the Hamlin Masonic Lodge.

Survivors include his wife; one daughter, Mrs. Sigmund (Dorothy) Stovall of Hamlin; three brothers, Estel, Earl, and Elva, all of Hamlin; two sisters, Mrs. Rosie Mae Hall and Mrs. Leonard Willis, both of Fort Worth; and three grandchildren.

Palbearers were S. C. Baller, R. C. Richey, Edgar Duncan, John Howard Jr., Jack White, Paul Cooper, Burnia Reid and Leldon Clifton.

Stonewall County Sets Medicare Meeting Monday

There will be an important meeting to explain the medicare program 2:30 p.m. Feb. 14 at the Aspermont lunchroom.

Social Security Representative, Don Austin, will conduct the program which is sponsored jointly by the Texas Extension Service and T A P County Committee.

All interested people and especially the 65 year and older are invited to attend this important meeting.

RIDING CLUB TO MEET TUES.

The Hamlin Riding Club will meet Tuesday, Feb. 15, at 7:30 p.m. at J's Cafe, according to the president, Bill Dominey.

Three Trustees Ask Re-Election

The terms of three members of the Hamlin School Board expire this year and all three have announced for re-election. Seeking another term on the Board of Trustees will be Dr. M. L. Smith, J. E. McCoy and Bill Harbert.

The election will be held on Saturday, April 2 and the deadline for filing is March 30.

Anyone desiring to have their name on the ballot for a three year term on the board must fill out an application with Mrs. J. O. Murphree, secretary to the superintendent of schools.

A. B. Carlton has been appointed election judge and Mrs. Murphree and Mrs. C. C. Prather, clerks. Mrs. Murphree will also serve as absentee clerk.

Voters may vote absentee between March 14 and 29.

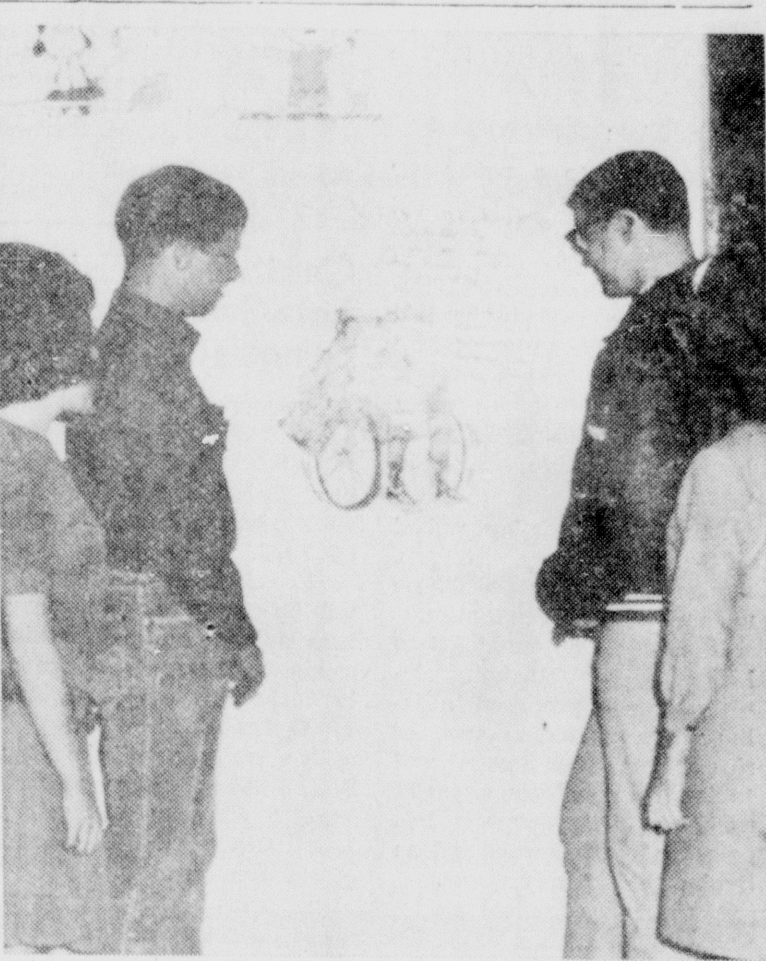

Junior High Teams To Host Albany Here Tonight

The local Eighth grade boys lead their conference at the end of the first round of play with a 4-0 record while the eight grade girls have a 3-1 record following a one-point loss to Lueders. The Seventh grade boys, while not playing for a conference championship, are undefeated.

Thursday night the Eight grade boys downed Lueders, 42-25, while the girls lost 21-20. The Seventh graders won 54-21.

Monday night the teams travelled to Albany where the Eighth grade boys won 37-23 and the girls won 10-9. The Seventh grade handed the team from Albany its first loss, 29-18.

Tonight (Thursday) Albany will be in the local gym with games starting at 6 p.m. Monday night the local roundballers will travel to Haskell.

GETTING READY FOR JUNIOR PLAY — Sue Roddy, left, Robert Moore, Randy Smith and Betty Daniell are looking at advance publicity posters for the annual junior play to be presented Friday, Feb. 18 at 7:30 p.m. All class members have participated in some way with the production and are assuring everyone of an entertaining evening. The play, "Reluctant Reunion," will be presented in the Hamlin High School Auditorium.

Junior Class to Present Three Act Comedy Here Friday, Feb. 18

The Junior Class will present "Reluctant Reunion" at 7:30 p.m., Feb. 18, in the high school auditorium. This hilarious three-act comedy involves Great-Uncle Clyde and the reluctant reunion of two branches of his family for the reading of his will.

The cast is as follows (in the order of their appearance in the play): Betty Moore, Geneva Ward; Jack Moore, Randy Smith; Jennifer Moore, Margaret Johnson; Ginger Moore, Pam Holtz; Clayton Moore, Dennis Weaver; Reginald Moore, Robert Moore; Marguerite, Rheanna Sanderlin; Cynthia, Sue Roddy; Uncle Clyde, Mike Murphree; Louie, Joe Adams; Mollie, Helen Moore, The Sheriff, Raymond Nichols; and Charlie Cooper, John Osbourn.

Directing the play is Mrs. Charles Scott. Student Director is Linda Goodwin. Mrs. L. R. Fowler is business manager, and Mr. Criswell is stage manager.

The following "behind-the-scenes" people help make the presentation possible: Sound effects, Joy Bond; Make-up artist, Linda Pearce; Jean Young, and Vickie Acklin; Publicity committee, Revonna Kay Robertson, Jean Young, June Hill, Sue Roddy, Betty Daniell, Judy Liles, Vicki Newland, and Suzanne Wickwer; Tickets, Jim Bonds, Gary Connally, and June Hill.

Stage Hands are: Constr-

uction crew, Billy Cooper, Johnny Flowers, Charles Stanford, Ismael Mendoza, Ulichous McPherson, Junior Solis, and Bobby White; Set Arrangement, Doug Carlton, Rudy Mendoza, Donnie Jones, and Teresa Gabriel; Set decoration, Libby Connally, Louise Lujan, Jesse Mendoza, Joyce Fry, Juanita Williams, Bobbye Everton, Sandra Fudge, Erma Hines, Danny Contreras, Linda Conner, and Ruben Martens.

Ushers for the event will be Jerry Stuart, Rudy Kelly, Sammy Hester, Larry McCoy, Clifford Titus, Helen Hastings, Revonna Kay Robertson, Judy Liles, Teresa Gabriel, and Quinzell Willis.

Class Mothers are Mrs. L. C. Bonds, Mrs. Floyd Clifton, and Mrs. W. T. Johnson.

Tickets are being sold by the class members. They are 50 cents for adults, 25 cents for children and 25 cents extra for reserved seats.

Mr. and Mrs. Jim Richardson of Levelland and Mr. and Mrs. Rich Richardson of Sundown went to Waco for the funeral of their uncle, Edmond Barnes, and returned through Hamlin to visit with Mrs. Jim Richardson's mother, Mrs. Lala Harbert.

Otis Harbert of Knox City visited last week in the home of his mother, Mrs. Lala Harbert and visited with his brother, Bill Harbert and family.

WIN BIGGEST TROPHY EVER — The Hamlin High School Stage Band received the top honor in Class AA at the Doc Severinsen National Stage Band Contest held Saturday in Pampa and brought home the largest trophy to be won by the group. Phillips High School Stage Band placed second. Judges were Herbie Harper, Bob Rosegarden and Bob Haggart, all stars from the NBC "Tonight Show." They were joined by other stars, Urbie Green, Tommy Newsom and Derek Smith in presenting a concert that evening with Doc Sev-

erinsen. Members of the stageband are left to right: Margaret Ann Johnson, at piano; Johnny Snapp, bass; Jummie Lee Hastings, drums; back row, Tim Jones, director, James Knobel, Joe Adams, John Osbourn, Dianna Crowley, Bill Johnson; middle row, Gary Hester, Pat Perrin, Jane Ferguson, Dennis Weaver, Randy Smith, Sammy Ferguson, Mike Young; front row, Jayne Carol Turner, Terese Perrin, Sharon Townley, Reba Jackson, Joey Duncan and Vickie Newland.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 explains some of the facts of life to Castro in his letter this week. Unfortunately, Castro doesn't subscribe to The Herald.

Dear editor:

According to a newspaper which a friend in town gave me yesterday, well I don't think he exactly gave it to me, he rustled it sort of impatiently to indicate he had something else to do besides talk with me and handed it over as I left to make sure I was on my way. Castro is having some more trouble in Cuba

In addition to being pushed off the front page by Viet Nam, Castro is having a hard time understanding Communism.

Red China, he explained to his people in a four-hour television speech, promised to deliver him a million tons of rice or some such amount and to take some of his sugar in exchange, but now she has gone back on her word and he thinks this is outrageous.

Somebody ought to take Castro aside and tell him all about Communism.

He ought to find out that when a Communist leader for example says I'll send you a million tons of rice, it means what the ordinary person means when he says I'll dance at your wedding. It has nothing to do with dancing or delivering rice.

The annual sweetheart banquet at Central Avenue Baptist Church will be held Monday, Feb. 14, at 7:30 p.m. following the theme "Thoughts of You".

The church wide banquet will be for all ages and members are encouraged to bring a guest. Reservations are to be made with the pastor, Rev. W. G. Irwin.

The speaker will be Rev. Stan Blevins, pastor of First Baptist Church in Lueders. Larry Bradley will be master of ceremonies.

When a Russian Communist says Stalin was a saint, what he means is he's a saint till everybody is ordered to call him a bum.

Truth in Communist countries is like a calendar in other countries. After 30 days you tear off a page and start over. What you said in January has nothing to do with what you say in February.

Castro is sort of new at the Communism business and I'm afraid he's in for a lot of disappointments if he goes around believing what his new friends tell him. It's a very unreliable way to get any rice.

Fidel, a Communist's word is as good as his bond, which is why nobody would buy one.

Yours faithfully,
J. A.

Fire Deaths

NEW YORK—Every 24 seconds a fire breaks out somewhere in the United States and these fires take a human life every 44 minutes, reports the Insurance Information Institute.

Chevrolet-built cars out-performed their competition in four of eight classes at the recent Pure Oil Performance Trials at Daytona, Florida. Ellis J. Premo (above), Chevrolet's chief engineer, accepted the four trophies at an awards ceremony. While Chevrolet scored the most wins, General Motors cars swept the rest of the classes. Sixty-two cars representing all U.S. auto manufacturers competed in the NASCAR-supervised trials. Class winners were determined by scores in fuel economy, acceleration and braking. All competing cars were selected at random and driven by professional drivers.

The Directors of the Rolling Plains Cotton Growers, Inc. met in Sweetwater on February 1 and outlined plans for the coming year. Present were 27 men representing 14 of the 31 counties of the Rolling Plains area. Also represented were the Texas Agriculture Extension Service of Texas A & M University and the National Cotton Council.

According to Charles W. Stenholm, newly appointed executive vice president of the Cotton Growers, the organization will be working on an educational and informational type program for the coming year. Plans are to begin on community levels and eventually snowball to cover the Rolling Plains with a program dedicated to the improvement of cotton production in the entire area.

The Rolling Plains Cotton Growers is presently working on a definite boll weevil control program in cooperation with the Texas Agriculture

Extension Service and Texas A & M University. But before there can be a program of area-wide significance, there must be area-wide cooperation. This poses a tremendous but not impossible task.

Beginning about June 1, there will be ten 2-men insect survey teams working. Coupled with the information from last year and the findings of this year's teams, it will be possible to make a complete study of the Rolling Plains and gain valuable information necessary for a boll weevil control program.

In connection with the boll weevil control work, the Rolling Plains Cotton Growers Inc. is advocating delayed uniform planting dates for the area. A delayed uniform planting date supported by a community, county or area-wide utilizes climatic date to increase production. It acts as an aid in control of boll weevils, lessens replanting cost and improves quality, all of

Attending the annual Laymen's Leadership Institute at Colorado Springs, Colo., recently were Mr. and Mrs. Floyd Clifton and Mr. and Mrs. W. C. Russell. The four day affair, sponsored by Billy Graham and Howard Butt of HEB stores, is an invitational meeting of laymen of all churches.

Featured were Billy Graham and his music team, business and professional people giving their Christian experiences, Bible scholars and others. Miss America, Vonda Kay Van Dyke, spoke twice.

Another couple, former Hamlin residents, attending were Mr. and Mrs. Willard Jones, now of Camp Wood.

Cox-Bonds Wedding Vows Exchanged In Brownfield Sat.

Gena Merle Cox of Brownfield and David Douglas Bonds of Hamlin exchanged wedding vows Saturday at 5 p.m. in First Methodist Church, Brownfield, with Rev. Alby Cockrell officiating at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Douglas Cox of Brownfield. Bonds is the son of Mr. and Mrs. L. C. Bonds.

Becky Richardson, organist, accompanied Mrs. John Luckie singing "A Wedding Prayer," and "Because" and Don Hendley singing "Always."

Given in marriage by her father, the bride wore a gown of white tulle de soie enhanced with seed pearls. The figurine bodice with bateau neckline and three quarter length sleeves had chapel train, edged in seed pearls cascading from a bow. Lace and seed pearls bordered the edge of her imported illusion mantilla worn over a silk pill box hat. She carried an arrangement of gardenias surrounded by white feathered carnations atop a white Bible.

Lela Ann Cox served as maid of honor for her sister. She wore an empire waistline dress of pink lace over taffeta with matching head band. She carried a nosegay of pink feathered carnations surrounding American Beauty roses.

The bridesmaids were Midge Turner, aunt of the bride, and Mrs. Jimmy Rodgers. Denise Dankworth, cousin of the bride, was junior bridesmaid.

The bridesmaids wore alternating colors of pink and cerise, lace over taffeta fashioned like the maid of honor's and carried similar nosegays.

Mrs. Joe Simpson Gives WMS Program Tuesday

Mrs. Joe Simpson gave the conclusion of the book "Which Way in Brazil?" by Lester Bell at the Tuesday morning meeting of the Woman's Missionary Society of First Baptist Church.

Mrs. A. F. Haught led the song "Send the Light" to open the program.

Mrs. O. H. Taylor gave the opening prayer. Mrs. Carl Young introduced Mrs. Simpson.

She told of Baptist missionary work in Brazil in the beginning and of its growth to the present time.

Mrs. J. C. Greenway gave the closing prayer.

Dee Ann Adair, cousin of the bride was ringbearer.

Tommy Bonds of Abilene was best man for his brother. Groomsmen were Larry Upshaw and James Christopher.

Phil Griffin, cousin of the bridegroom, Sterling Cox, brother of the bride, George Bonds, Jim Bonds, both brothers of the bridegroom and Randy Adair, cousin of the bride, were ushers.

Candlelighters were Jim Adair and Greg Dankworth, cousin of the bride.

Reception was held in Fellowship Hall.

The bride was graduated from Brownfield High School and attended McMurry College. She was a maidenette with McMurry Band, and is a member of T. I. P. Social Club.

The bridegroom was graduated from Hamlin High School and will receive his degree from McMurry College in May. He is a member of Alpha Sigma Chi Social Club, Who's Who in American Colleges and Universities and Letterman's Association.

The couple will live at 1906 Estes in Abilene.

The bridegroom's parents hosted the rehearsal dinner in the Fellowship Hall of the church Friday evening.

Chevrolet Impala Sport Sedan with Body by Fisher

JET-SMOOTHER THE CHEVROLET WAY

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pfft! It all but disappears.

The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.

Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (always check in back before passing).

Many Eligible For Medicare Not Signed Up

"If you have reached 65 and are not receiving social security or railroad retirement benefits, and have not signed up for Medicare, now is the time for action," R. R. Tuley, Jr., social security district manager in Abilene, stated today.

He explained that almost every older person in the Nation is eligible for health insurance under the new law passed by Congress last year.

"The major part of hospital charges and doctor bills will be paid for these people 65 or older who sign up for the health protection," Tuley said.

"We are especially trying to reach two groups of people right now. One group includes those over 65 who have not applied for social security retirement benefits because their earnings are too high to permit cash payments. These people will have Medicare protection by applying for it.

"The second group we need to get in touch with may have had little or no work under social security," he explained. "If they are 65 or over, they can get the health protection by enrolling for it. Tuley said that health insurance benefits begin next July. "I cannot overemphasize the importance of prompt action by all those who are eligible," he said.

Further information can be obtained in person, by mail, or by telephone from the social security office in Abilene, located at room number 2321 Federal Building, or meeting a representative at Fire Station in Hamlin at 10 o'clock March 8 and 22.

A NEW BIBLE...

for ME!

She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church this Sunday and share in this knowledge and joy.

Electricity Makes A World Of Difference

We've come a long way since the Stone Age. Wouldn't the cave man be awed by our Space Age! Through the years, we've grown so accustomed to electricity we have taken it for granted. And yet, we are more dependent on electricity than any other source of energy. One of the jobs of West Texas Utilities Company is to make electricity so available, we can take it for granted. There's nothing quite like electricity...it can't be seen, heard or smelled...yet it is used daily in dozens of different ways to make our life easier and better. So sit back, relax and enjoy life...

FAIRVIEW NEWS...

By Mrs. Elmer Joiner

It seems that most of the folks came out of hibernation last week, after the weather turned warm. After two weeks of freezing nights, with most of the days the same way, the mild sixties, and forties at night, felt good to both man and beast. This Monday morning is cloudy and very rainy looking, with rain in the forecast, so maybe by the time this is published there will be a good season in the ground, on top of all the snow. Then you will see all of the farmers smiling and making big plans for another year.

We do not have any thing to report about getting a pastor, at this time. We only said that we had nothing to report, not that the pulpit committee had not been busy. Maybe, with the Lord's help, we will have something to report next week.

Terry Sutton, who is a member of the Central Avenue Church, in Hamlin, and a young high school boy that is entering the ministry, filled the pulpit at both services Sunday. Terry is very sincere about his work and we did enjoy having him, we predict that he will go far in the ministry.

Coming with Terry Sunday morning was Jim Kincaid, Sunday night his father, Mr. Sutton, came with him.

Mr. and Mrs. Woodrow Goodwin went to Crosbyton, last Thursday, where they visited with his sister, Mrs. Winnie Hale and son Goodwin. They came back by Spur to visit with another sister, Mr. and Mrs. Archie Hogan. They finished the day off by visiting her sister, Mr. and Mrs. Elmer Joiner, that night.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, visited over the weekend with their parents, the M. S. Johnsons and the Winslow Grays, coming down from Amarillo, where it has really been cold.

Mr. and Mrs. Henry went to see Mr. and Mrs. Joe Ford, last Monday afternoon, venturing out after being in several days.

Mr. and Mrs. George Wain-scott were Saturday afternoon

visitors of the Woodrow Goodwins.

Mrs. Henry's brother, Mr. J. E. Boyd, is very seriously ill in the hospital, in Snyder. The Henry went to see him last Tuesday afternoon.

Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, spent Sunday with their parents, Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Bailey Weeks.

Saturday night guests of H. L. Fords were Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Joe Ford and Mr. and Mrs. Elmer Joiner. They all played 42.

Mr. and Mrs. Joe Ford were Friday guests of the Fred Rosenbaums.

Mr. and Mrs. Woodrow Goodwin went to see Mr. and Mrs. Henry Sunday afternoon.

Nancy Ford returned to Denton last week after spending the mid term period at home.

At the last report we learned that the sister, Mrs. Henry Kee, of Lubbock, is progressing satisfactorily, according to her doctor. Although the surgery was serious and convalescence will be rather slow, he assures her that she will be well after a period of time, which is much better than being in pain all time. She says, she is glad it is all over. The daughter, Mrs. J. E. McCoy, went to Fort Worth, last Wednesday, where the doctor removed the cast from her left hand, giving her a chance to see what the surgery had done. Although it had been only three weeks, when the cast was removed, she can see a great improvement in the arthritic condition. This is a new thing they are doing, only a few doctors are attempting it, but so far it looks like arthritis suffers might have found a bonanza. Not only are they fixing up hands crippled by the disease, but feet as well.

Mr. and Mrs. Henry went to see Mr. and Mrs. Joe Ford, last Monday afternoon, venturing out after being in several days.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

Austin — Floterial districts! You'll hear these two words used often between now and the November election. And probably a long time thereafter.

What are floterial districts? They are voting areas created by combining counties, or parts thereof, to comply with the Supreme Court's edict that all states must have districts of equal population.

In Texas, this has resulted in rural counties sharing representatives with metropolitan counties, or vice versa.

A three-judge federal court at Houston has just upheld the 1965 Reapportionment Act of the House of Representatives, with the exception of 11 floterial districts.

These floterial districts are areas around Austin, Brownsville, Corpus Christi, Tyler, Waco, Sherman-Denison, Lubbock, Abilene, Temple, Odessa and Angleton.

Court gave the Legislature until August 1, 1967, to correct the floterial flaw.

So, this November, voters will select representatives on the basis of the original reapportionment draft.

Texas' four largest counties — Bexar, Dallas, Harris and Tarrant — will gain a total of 16 seats in the House for a total of 51 representatives. Under the new redistricting plan, 12 out of Texas' 254 counties will have a majority of House votes.

Although their power on paper is enormous, as a practical matter representatives of metropolitan areas seldom if ever vote as a bloc. So rural interests aren't likely to be ground under the heel of big city lawmakers.

State senatorial reapportionment never was subject to change.

Congressional redistricting was upheld earlier. More Tourist Funds Asked — Governor Connally will ask the 1967 Legislature for a bigger budget for tourist advertising.

"Considering the magnitude of the market," he said, "we still are going after an elephant with a peashooter."

Connally cited a 14 per cent increase in tourists last year — totaling 14,200,000. He reported that advertising by the state produced more than 57,000 direct replies.

Although visitors spend more than \$680,000,000 a year in Texas, the governor feels the surface has barely been scratched. Tourists in Florida spent three times as much.

He called for further development of natural and man-made attractions, and predicted HemisFair 1968 in San Antonio will have a "strong impact" on progress of the tourist program.

Current biennial budget of the Tourist Development Agency is \$532,000. It was \$292,000 in 1963-64.

Education Committee Meets — Governor's Committee on Public School Education held its first meeting here for a look at school needs and began preparation of a master plan for future development.

This 15-member committee is charged with a "pre-emptive inquiry" into all aspects of the school system. Its report is due to be made to the governor and Legislature in August of 1968.

First session dealt largely with employing a staff for the big job ahead.

Lease Sale Profitable — School Land Board's first oil and gas lease sale of 1965 brought the state \$8,300,000 for 136,048 acres or an average of \$61.25 an acre.

High bid of \$620,000 was on a 1,440-acre Guft tract in Calhoun County. Next highest was \$270,090 on 1,500 acres in Calhoun and Matagorda Counties.

Some \$91,500,000 was added to the school land fund last year, boosting the fund to \$693,184,011.

Job Centers Reviewed — Fears of expanded Federal control over the Gary Job Corps Center near San Marcos faded after a card-on-the-table session between Governor Connally, Gary officials and directors of the War on Poverty project in Washington.

Connally reported there will

Area Churches Unite Brotherhood WMU Activities; Elect Officers

Officers of the Brotherhood and Woman's Missionary Union comprised of four Jones County churches have been announced. Members of Baptist churches at Neinda, Fairview, Hanna and Tuxedo have combined in order to have these organizations together that they would not be able to have as a single church.

The Brotherhood officers are Jerry Williams, Neinda, president; H. L. Ford, Fairview, secretary; Finis Tolleson, Hanna, World Mission leader; I. K. Boen, Tuxedo, personal stewardship leader; Donley Williams, Neinda, Christian witness leader; W. D. Gray, Fairview, Royal Ambassador leader; Stanley Jackson, Neinda, song leader. This group meets once each month, alternating between churches.

The W. M. U. meets twice each month, one meeting to coincide with the Brotherhood meeting. Officers are Mrs. Jerry Williams, Neinda, president; Mrs. Bob Watson, Hanna, vice president; Mrs. H. L. Ford, Fairview, secretary-treasurer; Mrs. Frank Codington, Neinda Youth director and GA leader; Miss Reba Jackson, Miss Cynthia Stephens, Neinda, primary Sunbeam leaders; Miss Sharon Wheat, Neinda, beginner and nursery Sunbeams; Mrs. Jackie Williams, Neinda, mission study chairman; Mrs. Fred Rosenbaum, Fairview, activities chairman.

At the present time Fairview

is without a pastor. The other pastors are: Rev. Frank Codington, Neinda; Rev. Bob Watson, Hanna; and Rev. L. E. Redding, Tuxedo.

Special License Plates Adds To Work Load of Tax Office

Each year something new is added in the way of special automobile license plates, County Tax Collector A. J. French Jr. said this week. "I suspect there is 35 percent more work in that department than there was when I took office," he said.

In addition to the "prestige" plates which were added last year, there also are limited time plates and special plates for other situations. This year, eight applications have been filed for "prestige" plates while for the preceding year there were but five. These carry an added cost of \$10 but owners have the satisfaction of knowing that they are the only one in the state with just such a plate.

The first shipment of 1966 plates, which went on sale Feb. 1, arrived in January but not as many were shipped as were issued last year, French said. "We always have to reorder. Each year, more plates are issued than during the preceding year."

The plates are black with white letters and passenger

FROM THE EAGLE'S BEAK...

A large crowd was out to view the game with the Hamlin Freshmen last Tuesday night. We were especially proud to have one spectator,

Ronnie Jeffery. He was wheeled in and received with a standing ovation from the Hamlin and McCauley fans. He watched the game from the stage. We were all pleased to have him around again. Ronnie was injured last fall playing football and is in a cast, not even able to walk on crutches.

Although both McCauley teams were defeated, the fans and players enjoyed two fine, exciting basketball games.

The smiles and (much to the boys' disgust) neckties accompanied many M.H.S. students Friday as we finished the photographs for the last shipment of the Eagle.

Friday night the varsity traveled to Highland to meet the Hornets. Jeanne Acklin, Lana Acklin, and Rachel Miranda scored 10 points each but lost the game.

Marion Reed was the hero of the boys game scoring the final two points in the second overtime, to top the Hornets 55-53.

Monday Ronnie Jeffery met classes for the first time in three months. Everyone's real happy to have him back.

Jeanne Acklin will replace Barbara Griffin as the third member in writing this column. She is very active in all M.H.S. activities, president of the junior class, assistant editor of the annual, and is head cheerleader this season. Jeanne is fourth vice president of the FHA and partic-

cars will be in the following sequences: DCG 400 to DCG 999, DCH 10 to DCH 999 and thence on through DCJ, DCK, DCL, DCM, DCN, DCP, DCR and DCS, with all plates between 10 and 999 included except in the latter group where the numbers stop at DCS 899.

Trucks will run from 1V 9700 to 1V 9999, 1W 10 to 1W 2474.

Farm trucks will run from 8J 950 to 8J 2174.

Farm trailers will run from 33T825 to 33T999, 34T10 to 34T999 and 35T10 to 35T24.

Trailers will run from A6-3025 to A6-3974.

As It Looks From Here...

Omar Burleson, M. C.
17th District, Texas

Washington, D. C. — There is more to winning the conflict in South Viet Nam than bombing and the hide-and-seek war in the jungles and rice paddies.

The greater part of the 16 million people are predominantly rural and have sought to remain neutral in the struggle. They have little choice, since neither the Saigon Government nor the Viet Cong has been about to provide them with any degree of lasting security.

Both sides have occupied outlying villages and farm communities alternately for short periods of time, each imposing their will on the populace. This sort of situation makes neutrality a necessity for survival of many. The peasant farmer, to avoid trouble, "bends with the wind" to stay alive.

If it can be called a choice, he has three. He can keep his family on his little plot of

ipates in basketball, volleyball and track. We're glad to have her aboard.

Junior High went to Highland Monday. The boys won and the girls lost by a narrow margin.

We are glad to have Mrs. Suzanne Rowland at McCauley School. She will be helping to set up the Remedial Reading Program.

The High School basketball teams meet Trent twice this week. "There may not be a column next week."

ground near the grave of his ancestors and continue to live as long as he can in the midst of combat. They can leave their homes and move to areas under Government control. Approximately three quarters of a million people are now refugees under this choice.

The other choice is to leave their homes and seek refuge in a Communist controlled area, joining the Viet Cong.

These conditions are growing sharper every day with the increased tempo of the fighting. The Vietnamese peasant will endure just about anything before he will leave his traditional home. To stay, he will dig a primitive shelter under his home for his wife and children and try to go on raising crops and avoid involvement in the fighting. To do this he is in between the anvil and the hammer.

According to General Edwin F. Black, Director of Internal Security Affairs for the Army, who has served two tours in Viet Nam, the rural South Vietnamese are beginning to realize that it is their own Government and that of the United States which will help him bind up his wounds and make an effort to give him food if his crop is confiscated by the Viet Cong or destroyed by military actions. He is finding that the promises of the Communist Viet Cong do not bring security but force him to dig ditches at night across roads, afford him no medical supplies and no schools for his children. True, the report goes, the Communists have

made some of these efforts for propaganda purposes, but they do not have the wherewithal, and the Vietnamese farmer is finding the Communist promises empty.

General Black reports that the Vietnamese people who live under the domination of the Viet Cong are beginning to recognize that as long as the struggle continues, the prospects for them grow more grim. The power of America's military might, only dimly realized before last fall, is becoming plain to them. Before our own forces arrived in great numbers, the Communist regulars and the South Vietnamese forces often avoided contact, and when contact was made, they made sure to leave open an escape route so that decisive battles did not result. This is changing.

The South Vietnamese soldier is proving to be a good fighter.

In the final analysis, the war can only be really "won" against the Communist Viet Cong when the South Vietnamese people, individually and collectively, are sure that their own Government and

the United States are determined to drive out the Viet Cong — when they decide for themselves that the safety of their families lies on the side of their own Government.

One of the weakest links of our efforts in Viet Nam has been intelligence — the simple proposition of knowing where the Communists are, how many and what they are doing. Too often this advantage has been on the other side. One of the greatest needs, except for destroying the North Vietnamese war-making capacity in the North by bombing is for the people of South Viet Nam to provide necessary intelligence to find, fix, and destroy the Communist Viet Cong.

August Worst Month

NEW YORK In recent years, more motor vehicle deaths have occurred in August than in any other month, the Insurance Information Institute points out. In 1964, 4,810 persons died in car accidents during August, almost 4 percent more than in October, which had the next highest toll.

Finally, Perfected Color Television

It's as easy to tune as
black and white.

Up to now, there were two problems with color television sets.

One, they were hard to tune. And two, once they were tuned almost any outside interference (airplanes, cars, electric shavers, even aluminum siding) threw the picture out of whack.

General Electric has taken care of both.

NEW MAGIC-MEMORY TUNING.

G-E developed a new kind of tuning called Magic-Memory tuning. What's magic about it is that it's easy to tune. All you do is turn until their pointers point straight up. That's it.

Some people say they can get a picture in less than 30 seconds.

NEW COLOR COAXIAL CABLE.

Then G-E tracked down what was picking up all the outside interference. It was the old flat lead-in wire that connected the set to the antenna.

So they redesigned the sets and added a coaxial cable lead-in. (Coaxial cable is what TV studios use because it has two layers of plastic and one layer of woven metal to shield against outside interference.)

What they had when they finished was the first really Perfected Color Television set. Bright, clear, natural color with no more fuss than black and white.

And that's what a lot of people tell us they've been waiting for.

If you're one of them, see us today!

TEACHER AIDS INCLUDE TAPE RECORDER — A tape recorder is used by Mrs. Guy Weaver, center, as an aid in the remedial reading center. The students at the reading table are, clockwise, Erma Hunter, Martha Magee, Jerry Johnson, William Brown, and Ray

Sneed, whose voice is being recorded. Mrs. Weaver and her assistant, Mrs. Johnny Steele are at DePriest School for three one hour sessions Monday through Thursday in the remedial reading program.

(More pictures on page one)

NEW EQUIPMENT BEING UNPACKED — New equipment, the listening laboratory, is examined by teachers Mrs. Johnny Steele, left, and Mrs. Bill Shira, at the reading center building near Hamlin Junior High School. The listening laboratory is just one of the modern pieces of equipment being used for children who are lagging in reading. The children are being benefited greatly by the equipment and individual attention of the teachers and aides. Approximately 150 students are now enrolled in the total program. There are usually 15 to a class. Children attend for one hour each day, Monday through Thursday.

Congratulations to Mr. Tim Jones and our Stage Band, who did a superb job of carrying off the honors and coming home with first place, and a beautiful silver trophy from THE DOC SEVERINSEN NATIONAL STAGE BAND FESTIVAL in Pampa. Those of you who watch the NBC TONIGHT SHOW have seen and heard Skitch Henderson's fine orchestra. Saturday night the Stage Band members and their parents had the opportunity to attend the concert, where "Doc" Severinsen and the NBC TONIGHT SHOW ORCHESTRA entertained. This was an experience that the three thousand who attended will never forget!

Friday night, February 4, the Piperettes added another victory to their list. This victory was special though, because the Haskell Indians are always out and ready to

scalp their opponents. Well, the Piperettes didn't actually scalp the Indians, but they certainly did beat them! The Piperettes also put up a good fight with the Indians, but didn't turn out quite as well as the Piperettes. We are very proud of both of our teams. Remember, it takes as much to be a good loser as it does to be a good winner!

Let's all attend the "Reluctant Reunion". The way the Juniors and Mrs. Charles Scott, their director, are working on this play, it can't be anything but good! Tickets are being sold by each member of the Junior class. If you want to see some great entertainment—purchase a ticket and be at the High School Auditorium February 18 at 7:30.

Be careful where you walk around Hamlin High School. You might get flashed in the face! Everyday pictures are being taken for the 66 Piper Annual. Last week several ac-

The Freshman girls have been studying personal grooming in Homemaking. A contest was held to select the two best groomed girls, and Martha Marie Robertson and Clara Crabb were selected by their classmates at the end of this study.

The Future Homemakers of America are planning a "Pop's Night Out", which will be held Tuesday night in the cafeteria. This certainly sounds like fun!

Watch Piper Patter next week! There will be a special feature. The president of the Senior Class, Jimmy Hawkins, will be interviewed on a very timely subject.

Local FFA Chapter Places In Abilene C of C Award Contest

The Hamlin FFA Chapter received word last week that it had placed seventh place in the Abilene Chamber of Commerce Special Award contest at the recent Abilene Fat Stock Show. All FFA Chapters and 4-H Clubs from the thirty-three county area exhibiting at the show were eligible for competition.

The award is judged on a four part score card. Care of stalls and aisles counts 40 points. This includes the neatness and orderliness of the stalls, aisles and bedding and the appearance of the animals during the entire show. Compliance with show rules counts 25 points. This includes the promptness in following out instructions and rules in having animals ready for weighing, judging and for the premium sale. Courtesy and

sportsmanship counts 15 points. The conduct of the individual club member and students during the entire show are considered here. Showmanship in the ring counts 20 points. Here the judge considered the boy's ability to handle his animal in the show ring in such a manner to direct attention to the animal and to keep the animal posed properly to show to its best advantage.

Local members who exhibited at the Abilene Fat Stock Show were Gil Lain, Randy George, Bobby White, Donnie Jones, Danny Cary, David Wallace, and Leroy Kirby. Assisting other members in preparing their animals for the show and showing them were Jimmy Hawkins, Jimmy Hastings, and Reginald Wells.

The local chapter received a special award ribbon and \$10.00 for this award.

Chapter advisors are T. C. Blankinship and Milburn Wink.

Literary Club Elects Officers For Next Year

Officers for the coming year were elected at the Friday afternoon meeting of the Woman's Literary Club in the home of Mrs. C. T. Murrell.

Mrs. Bob Carig was elected president. Other officers are Mrs. Richard Young Jr., vice president; Mrs. Joe Wayne Carter, second vice president; Mrs. Virgil Steele, recording secretary; Mrs. Tarlton Willingham, corresponding secretary; Mrs. W. A. Cassle, treasurer; Mrs. A. A. Hackley, parliamentarian; Mrs. E. E. Monkrees, musician; Mrs. Byron Bryant, reporter; and Mrs. Dick Maberry, librarian.

The program on conservation was presented by Mrs. Willingham, moderator, and Mrs. Cassle, moderator. Mrs. Cassle discussed "America's Airborne Garbage." Theme of the presentation was "Conservation: A Duty to the Future".

Other business transacted prior to the program was the election of Mrs. A. Albritton as a "jewel" in General Federation of Women's Clubs. Each club in the state is to elect a "jewel" in connection with the current 75th anniversary observance of GFWC.

The president, Mrs. Hackley, appointed Mrs. R. D. Moore to the membership committee to serve with Mrs. M. T. York.

Mrs. Art Carmichael of Abilene was a guest. Members present were Mmes. C. F. Cook, A. A. Wade, Steele, Moore, A. B. Carlton, Young, Murrell, Hackley, Willingham, Cassle, Carter and Craig.

Hamlin FFA Boys To Exhibit Animals At San Antonio

Randy George, member of the Hamlin FFA, will exhibit one Hampshire Barrow and one Duroc Barrow at the San Antonio Livestock Exposition. Gil Lain, also a Hamlin FFA member, will exhibit two Duroc Barrows, one Hampshire Barrow and one OPB Barrow. H. D. Lain will exhibit two Duroc Barrows and two OPB Barrows.

The 1966 San Antonio Show offers a record-breaking \$222,509 in combined premiums, prizes, and purses for the Feb. 11-20 Stock Show and Rodeo.

Entertainment features at this year's Exposition include a variety of attractions at all performances of the Harry Knight produced RCA Rodeo of Champions. Starred at each rodeo popular Rex Allen will be the popular Perfection assisted by Connie Smith, the Cindarella girl of country music, the fabulous Zoppe Family of bareback acrobats and Arthur Allen's world renowned Sheep Dogs.

Bridge Winners

Dale Lain and Mrs. Preston Morrow of Rotan were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club.

Mr. and Mrs. L. W. Shivers were second and Mr. and Mrs. Starr Inzer were third.

1,000 Fires a Day

NEW YORK — Every day more than 1,000 American homes are struck by fire, according to the Insurance Information Institute.

Mrs. Johnson Gives Founder's Day P-TA Program

Founder's Day was observed Thursday at Hamlin Parent-Teachers Association meeting in the primary cafeteria, with Mrs. Weldon Johnson presenting the program. She gave the constitutional rights and responsibilities of citizens as she discussed the Constitution and the beginning of the American government.

Theme for the meeting was "Together We Help a Child by Strengthening our Heritage."

Highlighting the meeting was the presentation of the Life Membership to Mrs. Johnson. Mr. Marvin Carlton made the presentation and gave the symbolic pin to her.

Mrs. Johnson, in her tenth year of teaching in Hamlin, teaches social studies in Junior High School. She formerly taught at Avoca, Lueders and came here from Noodle-Horn. Entertainment was patriotic songs by the fourth and fifth grade students.

Mrs. Ethel Allan's fourth grade room won room count.

Refreshments were served following the meeting.

Dallas — Dewey Nunley of Nunley Plumbing & Air Conditioning, Hamlin, was one of about 250 southwestern air conditioning dealers attending a meeting here at which it was predicted industry volume would top \$3 billion in 1966.

Officials of Carrier Air Conditioning Co., which co-sponsored the meeting with area distributors, said the total value of U. S. air conditioning equipment installations in building here and abroad during the year would raise nine percent to nearly \$3.2 billion from an estimated \$2.9 billion in 1965.
